

About Community Pro-Tektor

Pro-Tektor Inc. is a new business (less than 2-years old) *The Community Pro-Tektor* Kiosk platform is setting the standard for Law Enforcement Agencies across the country to issue real-time community alerts, notifications and

Figure 1 Pro-Tektor Kiosks

warnings. This new kiosk system is designed to be law enforcement's own personal news network for issuing real-time community alerts, notifications and warnings to the general public that may be the result of severe weather or a natural disaster, and incidents that require a relief response from related public safety organizations. The *Community Pro-Tektor* Kiosk also provides assistance in locating missing persons, identifying people of interest, and issuing positive community PSA messages from the Sheriff or Chief.

Who Pro-Tektor Is Searching For

Pro-Tektor Inc. is seeking motivated, and reliable individuals interested in working in a team-oriented environment to assist in the construction of *Pro-Tektor* Kiosks for distribution throughout the company's service area. Sales & marketing experience would be helpful, but is not required to perform the essential responsibilities of each position. Interested candidates may learn more about *Pro-Tektor Inc.* by visiting: <http://pro-tektor.com/>

Interested applicants may contact Mr. Steve Belford and send a resume to:
